It is a good rule to accept only such medicines as, after long trial, have proved worthy of confidence. This is a case where otle people's experience may be of service, and it has been the experience of thousands that Ayer's Cherry Pectoral is the best cough medicine ever used.

By lack of open air exercise, and the went of sufficient care in the matter of dict, the whole physical mechanism be comes impaired during the winter. Ayer's Sarsaparilla is the proper remedy to take in the spring of the year to purify the blood, excite the liver to action, and restore health and vigor.

We have been informed that the board of supervisors have never levied an amount exceeding \$1 90 on each one hundred dollars worth of property in this county for county purposes, but that the balance of the tax is made up from the sinking fund, interest on bonds, etc. that is prescribed by law.
